We gather at 10:00am and start the business meeting at 10:30am. For the picnic, bring a dish to pass and your own place setting. If you have a name tag, please wear it at the meeting so new members and visitors know who we are.

Spinning wheel questions or issues? Bring your wheel to the meeting for help from guild members. Also, remember to bring your sprinkle dyed skeins of yarn from last month for Show and Tell.

### **JUNE BUSINESS MEETING**

Fourteen guild members were present along with one visitor.

### **Committee Reports**

**Treasurer:** balance of \$1,660.17. Marguerite Hickernell was added as a signatory to the bank account.

**Membership:** There are twenty-six members.

**Newsletter:** Lee Rivera will provide a Bio for the July newsletter.

**Programs:** The July guild picnic will be at Paulie Drexler's Springside Farm in Fabius. The guild voted to not hold an August meeting since we already demonstrate at the NYS Fair Wool Center in August.

The 50<sup>th</sup> anniversary celebration will be held at Springside Farm. For the October and November meetings we'll return to the Cazenovia Library. The November program may be a workshop on making Kumihimo cords.

The guild voted to give Stephanie Fesenger \$50 for her October program on needle felting. Jeanne Oliver will contact Stephanie about the fee and ask her for a date for the early November day long needle felting workshop at her home.

## **Old Business**

### **MEMBER BIO: Lee Rivera**

Hello everyone! First, I would like to thank you for allowing me to join the guild. In the half year I've been here, I have already made friends and learned so much. I come from a family of crafters and grew up surrounded by their work. I taught myself to knit somewhere around fifth or sixth grade, although I stopped knitting for many years when my two daughters were growing up, and I am just recently getting back to it.

My newest endeavor is spinning. I was gifted a beautiful spinning wheel and multiple other pieces of equipment, and I have been having fun practicing and learning about it as much as I can. After many false starts, I have several of you to thank (you know who you are!) for getting me going on the right track.

I've also been dabbling in needle felting, something that can be picked up and put down quickly, since we just adopted a new puppy, and she is keeping me on my toes. So far, I have been fulfilling my five grandchildren's requests for small animals. Outside of fiber, you can find me either running trails, hiking, or working on our wee hobby farm taking care of our menagerie of animals and our gardens.
