For those unfamiliar with Roc Day, according to Wikipedia
https://en.wikipedia.org/wiki/Distaff_Day:

Distaff Day, also called **Roc Day** or **Rock Day**, is 7 January, the day after the feast of the [Epiphany](#). It is also known as **Saint Distaff's Day**, one of the many unofficial holidays in Catholic nations.

The [distaff](#), or roc, used in spinning was the medieval symbol of women's work. In many European cultural traditions, women resumed their household work after the [twelve days of Christmas](#). Women of all classes would spend their evenings spinning on the wheel. During the day, they would carry a [drop spindle](#) with them. Spinning was the only means of turning raw wool, cotton or flax into thread, which could then be woven into cloth.
