**Next Meeting: Thursday September 11th, 2025, 10:00am  
Springside Farm, Fabius, NY**

### **Fix It, Frog It or Forget It?**

**Note the meeting location is Springside Farm in Fabius.**

We gather at 10:00am and start the business meeting at 10:30am. For Show and Tell please bring what you've been working on over the summer.

**Fix It, Frog It, or Forget It?** is our September program! Marguerite (and hopefully all members present) will talk you through your old unfinished objects (UFOs). Do you REALLY want to finish that uncompleted worsted wool afghan bequeathed to you by your Nana who died in 1980? Or what about the handspun yarn which just won't cooperate as lace? Come with helpful suggestions for others and bring an old project of your own!

No surprise to many of you, but we've had difficulty reserving the Community Room at the library. Currently we have a several-hour slot starting at 11:15am reserved for our second Thursday of the month October and November meetings. At the September meeting we will be discussing other possible locations. Gwen contacted the New Woodstock Public Library; they can host our meetings at our usual time and day. Raquel is in contact with the Cazenovia Presbyterian Church. In previous years we've discussed Lorenzo and the Cazenovia Art Barn; neither are feasible for assorted reasons. We welcome suggestions for other options; please investigate them before the September meeting so that we can hold an informed discussion. Thank you, Gwen, for all your hard work over the years in reserving the Community Room at the library.
